Declaration and Authorization

I confirm that the above information is correct to the best of my knowledge and I understand that any organization or misrepresentation of information on this application form may, in the event of my obtaining employment, result in action based on company policy.

I hereby authorize UST Global (or a third-party agent appointed by the Company) to contact any former employers as indicated above and carry out all Background Checks not restricted to education and employment deemed appropriate through this selection procedure. I authorize former employers, agencies, educational institutes etc. to release any information pertaining to my employment/education and I release them from any liability in doing so.

I hereby acknowledge and agree that for the purpose of my employment and related matters, UST may need to procure from me certain specific personal information / data / files / records and retain the same under UST's official record. In this regard.

1. I undertake to furnish to UST all such data, information, documents, certificates, files, etc. ("Personal Data") as may be instructed by UST from time to time, and I shall not withhold, delay or condition the same, under any circumstance, whatsoever. I hereby accord my consent without any condition to UST to maintain and retain all such Personal Data during the entire term of my employment and thereafter for such period as UST may deem fit.
2. I hereby authorize UST to supply, furnish, share and/or reproduce the Personal Data or any part thereof with third parties including governmental bodies, whether for the purpose of complying with any legal purpose or otherwise. I undertake not to raise any claim and further not to dispute with UST and/or any third party, with respect to usage or reproduction of the Personal Data by UST, in any manner, whatsoever.

I warrant that furnishing / sharing of any such Personal Data and the retention of the same by UST shall not amount to any breach of confidentiality and privacy as per the Information Technology Act, 2000 or any other applicable laws (including data protection laws) in India and/or any contractual provisions.
